HIGH SCHOOL MISSION TRIP

JUNE 13-19, 2026

We are returning this summer to help our partner church in Salt Lake City, Church of The Valley. Last year our students grew immensely through this opportunity to serve and support this church with service projects, prayer walking, hiking, and serving at VBS. The trip is scheduled around family friendly events, meals, and fun.

STAFF ON TRIP:

STEVEN PATTERSON | KENZI RENFRO | JAYDEN FRIDDLE | RYAN WHISENANT | JUSTIN & AMBER BINDEL

ON YOUR MISSION TRIP YOU MAY HAVE THE OPPORTUNITY TO:

- Be challenged with a different approach to sharing your faith
- Be trained by skilled leaders in apologetics and everyday evangelism
- Get an opportunity to prayer walk the neighborhoods and talk with the local community
- Explore downtown SLC and learn the history of the city and its deep roots in Mormonism
- Partner with local churches for service projects
- Serve alongside members of Church of The Valley during their annual VBS in the evenings

The best thing you need to know about this trip is that the community in SLC is desperate for friendly faces to love them, learn from them, and tell them about the hope found in Jesus!

Who's going on this trip?

We are taking between 15-20 students. We will have a 5-7 staff members on this trip and maintain a student to leader ratio of 1:4.

Where will we be staying?

We are currently working on accommodations. Last year, we stayed in a large AirBnb where our entire team was able to be. Students will NOT need their own bedding.

What does the cost of trip cover?

The airfare, lodging, and food during the trip is paid by your registration cost and supplemented by part of our church mission budget.

Will my student need extra money for this trip?

All meals during the trip are covered except for travel days. Your student will need money for food on travel days and for any souvenirs they want.

What does my student need to bring on the trip?

- Bible / Pen / Journal
- Refillable Water Bottle
- Comfy shoes (lots of walking)
- Hiking Clothes/Shoes
- Small Backpack for Hike
- Clothes for Painting/Workday
- Swimsuit (AirBnb Pool)
- Toiletries (toothbrush, shampoo, etc)
